Standard Vinyl Lettering

Standard sets of self-adhesive letters, numbers and symbols for use on models, crafts and for many types of identification

Standard Arial font packs

Each pack has an identical amount of letters and numbers on between 1 and 12 sheets depending on the size of character

Just lift the letters from the backing sheet with tweezers or a small knife

Apply to the clean surface using a piece of tape to help alignment

Rub gently into place for a perfect waterproof finish

- Large range of colours & sizes
- Waterproof exterior adhesive
- Economic with 400+ characters per pack
- Easy to lift and apply to all surfaces
- A multitude of uses

Letters are supplied in capitals only in Arial Bold type style. Quantities of symbols vary slightly in different size packs depending on space available. Although not necessary, vinyl can be over coated with all normal varnishes

All Standard lettering packs are available in 11 sizes and 10 solid colours: Black, White, Gold, Silver, Red, Blue, Yellow, Green, Orange and Purple

When ordering quote size, then "Arial" followed by colour i.e. 20mm white lettering = 20 Arial White

Stylised Lettering Packs

Two new fonts for a more formal and informal style of lettering are also available in the colours and sizes shown below.
